Request for Funds

Construction of New Pumpout or Dump Stations

Name of Marina: _____
Contact Person: _____
Physical Address: _____
Mailing Address: _____
City/State/Zip: _____
Telephone: _____ Fax: _____

1. Please locate your marina on a USGS topographic or other suitable map and attach to this application.
2. Construction time frame: if funded, when will you likely install a boat pumpout or dump station? Year: _____
3. What type of facility are you interested in?
_____ Pumpout _____ Dump _____ Combination
(Please note, DES encourages the combination pumpout/dump station.)
4. Describe access constraints to your marina, if any. (Are there shoals, bridges, rocks, etc. that limit access to your marina from the surrounding area?)
5. What public facilities/services does the marina provide?

*The CVA grant program requires that the boating public be able to utilize any facility that is built with program money.

-OVER-

6. Approximately how many boats, based on the following size categories, does your marina service each year?
____ Less than 16-feet ____ 16-25 feet ____ 26-40 feet ____ Greater than 40 feet
7. Provide information on the adequacy of the marina's sanitary facilities. If the marina is served by a septic system, is it sized adequately to handle additional boat wastes? If the marina is served by a town sewer line, how far is the line from the service dock, and will the town's waste water treatment facility accept the additional boat wastes? Please provide documentation to support this.
8. Please estimate the total to install a pumpout/dump station at your marina, including all wiring, underground utilities, etc. The grant requires a 25% match by the marina; please include this as well. Estimate conservatively; details may be worked out in the contract phase, if your request is funded.
9. Fees charged for use of a pumpout/dump station funded with Clean Vessel Act funds must be \$5.00 or less. What fee, if any, will the marina charge boaters?

Your signature _____ Date _____

Thank you! We look forward to receiving your proposal.

If you have any questions, please contact Alicia Carlson at (603) 271-0698.
